Together We Rise (TWR) Update

Most of the major work on restoring our Church from the hurricanes last fall has been completed. The repairs were financed from a \$200,000 Disaster Line of Credit for the cleanup work and a \$534,000 Loan, both from the UCC. In addition we have received \$345,614 in donations from 95 donors. The amount of pledges and non-pledged donations at this point represents 40% of the \$1.7 million we will spend to complete the total restoration, including paying off the loans we have used so far. Thanks to all of you who have contributed and urge everyone to join us in sharing your financial resources to retire our debt.

A Few Items Still Available to Purchase on Our Kitchen Shower Wish List!

Our online kitchen shower is a way to replace items lost or damaged during last year's storms.

If you are moved to fulfill an item on our Amazon wish list, please purchase it at the link available in the eblast or by logging into your Amazon account and searching for "PAGBCC Kitchen Shower".

This way, others will see the item has been purchased. Please reach out to the church office if you have any questions.

Please have items sent to your home or the church.

If you would prefer to make a monetary donation to go toward kitchen needs, you may contribute using your regular method of giving, noting "kitchen shower".
